

COMMON GROUND

FALL COMMUNITY GROUPS **2018**

WELCOME

WE are so glad that you have decided to explore the wonderful groups Turning Point has to offer! Community Groups are a great way to grow and get connected in the Church.

This world and its people are a garden. In this garden you'll find many species, each one unique in quality and purpose. And while they might seem wildly different on the surface, a closer look at the roots reveals just how similar they truly are. They need the same foundation to grow. They need the same care and attention to thrive. They weave a vital synergy as they spring up in unity in this garden of life.

We invite you to enjoy the beautiful differences God has created in all of us! Let us marvel at the connectedness of our roots beneath the brilliant variety of our blossoms. When we choose to look deeper, we find that we are all on **COMMON GROUND.**

Maybe you aren’t afraid of talking to your kids but you aren’t sure you know enough about when and what God’s design is. Wherever you are with ‘the talk’ and no matter how young or old your kids are, join me as I share God’s design for sexuality.

DOING LIFE TOGETHER • DLT

Our group is for parents who are looking to build and strengthen relationships with other parents. We want to provide an opportunity for couples or single parents to connect with others in the church. This gives us all a chance to take a little break and actually get to finish a whole conversation with other adults. We will chat, laugh, learn and pray together as we discuss everyday opportunities and challenges that come from raising Godly children. We need GOD in order to do this, but we also need each other to encourage, pray and lift others up—to do LIFE together.
